Pursue your passion here®

**March**

**SPECIAL GUEST**

**Paul Koerner**  
GM World Class Service Technician  
<http://corvettemechanic.com>

**C4/C5/C6 Corvette Performance  
Weekend Workshop**  
**Saturday, March 20, 2010**

Mid America Motorworks presents the first in a series of Weekend Workshops for 2010. Join us for a return visit by special guest, Paul Koerner, GM World Class Service Technician, and technical advisor for [corvettemechanic.com](http://corvettemechanic.com) and the [corvetteactioncenter.com](http://corvetteactioncenter.com) forums.

Back by popular demand as a result of his standing room only seminars at Corvette Funfest, Paul brings more than 12 years of experience serving GM vehicles and is trained on every facet of your C4/C5/C6 Corvette.

From the simple to the complex, from the tires to the roof, Paul will give you the FACTS about how to take care of and optimize the performance of your Corvette.

Pre-registration is recommended; however, not required. Pre-registered attendees will be eligible for a chance to have your Corvette professionally evaluated by Paul (a \$200 value) at the conclusion of the last seminar.

**C4/C5/C6 Corvette Performance Seminars**

Presented By: Paul Koerner  
GM World Class Service Technician  
<http://corvettemechanic.com>
